*NURTURING CHILDREN TO ACHIEVE THEIR FULL POTENTIAL IN A CARING, CHRISTIAN COMMUNITY*

## Parents Consultation

We are currently looking at our school vision and aims for Townlands C of E Primary Academy. This process is very important in developing our ethos and values, particularly as the school grows and evolves.

Our current vision is:

**To nurture children to achieve their full potential in a caring, Christian community.**

This statement needs to be reviewed in line with the new Statutory Inspection of Anglican and Methodist Schools Inspection Framework (SIAMS). We would like to gather your views and opinions so that everyone has a voice in shaping the future vision of our school.

Staff, governors and pupils have already contributed to this process and we have narrowed down the following suggestions based upon all responses. Could you please choose from the list below, one vision statement which you believe reflects Townlands C of E Primary Academy.

It is important that everyone has a voice in shaping the future vision of the school and we thank you for your continued support.

A Hawksley and W Ladkin
