

Year 4 Spring 1 - The Anglo-Saxons: Who were the Anglo-Saxons?

Year 4 will be travelling back in time to when the Anglo-Saxons sailed to Britain, including what their settlements looked like. We will be exploring artefacts and learning all about the impressive and awe-inspiring burial at Sutton Hoo. Additionally, we will explore the impact that Anglo-Saxons had on the religion and culture of England, including if King Alfred was really 'great' and how the reign of the Anglo-Saxons came to an end. We will also practise our sketching and collage making using artefacts to create some Saxon themed artwork.

Science

Sound

Identify how sounds are made, associating it with something vibrating. Recognise that vibrations from sound travel through a medium to the ear; find patterns between the pitch of a sound and features of the object that produced it. Find patterns between the volume of a sound and the strength of the vibrations that produced it; recognise that sounds get fainter as the distance from the sound source increases.

English

Young Writers -Wonderful Water

Years 4,5 and 6 will have the opportunity to participate in this years Rotary Young Writers competition with the theme of 'Happiness in Nature. Year 4 will be writing descriptively for their entry.

Persuasive Letters

Year 4 will be focusing on the book 'The Lost Happy Endings' by Carol Ann Duffey, to write persuasive letters to an audience.

Maths

Multiplication and Division

Solve multiplication problems, multiply a three or two digit number by a one digit number and multiply three numbers together. Recognise factor pairs of numbers and recall multiplication facts up to 12 x 12. Use known multiplication and place value facts to divide mentally. Problem solving and reasoning involving multiplication and division.

Geometry - properties of shape

Compare and classify geometric shapes.

Identify acute and obtuse angles and compare and order angles up to 2 right angles by size.

Identify lines of symmetry in 2-D shapes.

Creative Arts (Art, D&T, Music)

Art

Year 4 will be developing our sketching and shading, collage and mark making skills to create art work based upon Anglo-Saxon artefacts.

D&T

Design, make and evaluate a product that includes an electric circuit.

Music

Year 4 will be exploring changes in pitch, dynamics and tempo.

Humanities (History, Geography, ICT, Languages)

History

We will be learning all about the Anglo Saxons and exploring what life was like over 1500 years ago in Britain.

Computing

We will be learning about photo editing.

French

We will be learning numbers 1-31 and also learning about calendars and birthdays.

RE

How and why do people mark the significant events of life?

We will be learning about lives of Muslims, Christians, Jews and Humanists.

British Values and PHSE

Safety and the changing body.

PE

Hockey

We will be using a range of techniques to pass and travel with the ball.

Gymnastics

Show a variety of travelling, jumping, rolling and balancing skills and how different body parts are capable of receiving weight.
