

Net and Court - KS2

Key Vocabulary

racket	develop
technique	timing
footwork	accuracy
rally	partner work
consistently	challenge
volley	serve

Key Knowledge and Skills

Children will learn:

- To hit with a racket, to develop technique, consistency and accuracy to develop the volley.
- To strike different size balls with bat and hands.
- To compete in singles and doubles games to develop a range of shot types.
- To play games over a high net using a bat and throwing apparatus to encourage the use of volley and make it difficult for an opponent to return the ball.
- To display tactics to understand net and court and wall principals.

Key Questions & Physical Wellbeing

- Why is it important to be able to return the ball from both sides of the body?
- Do you understand how the scoring system works in tennis?
- Do you know where to send the ball to make it more challenging for your partner to return it?
