

Sculpture and Form

Year 1 – Art and Design

Can I sculpt a body?

Key Vocabulary

sculpture	A 3D piece of art. Often, sculpture is made from wood, clay or stone.
joining	Connecting two or more pieces together.
mold	To form a material into a desired shape.
3D	A shape which is not flat it is three dimensional.

Key Skills

- Talk about sculpture and what it can be made of.
- Talk about sculpture and how big it can be.

Links to other Learning

EYFS - Discuss sculpture in the environment.

Lower KS2 - Add onto their work to create texture.

Upper KS2 - Create work which is open to interpretation by the audience.

Key Facts

- Modroc is a fun method to make sculptures with. It can be very messy, but it can also be used in a lot of different ways.
- With Modroc, you dip it in water before modelling with it. Then, you let it dry which makes it harder and stronger.

Influencing Artist

Sir Antony Mark David Gormley - a British sculptor.

His works include the Angel of the North, which was built in February 1994.

He also designed 'Another Place' on Crosby beach.

Key questions

- What is Modroc?
- What happens when you dip Modroc in water?
- What materials can I use?
- Which aspects of Antony Gormley's work do I like?
- How can Antony Gormley's work influence my own?
- Can I talk about the choices I have made?

Links to other Subjects

- Science - Animals including humans
- History - All about me
- Music - Songs associate with parts of the body

What I should already know

- How to collect and connect resources.
- What patterns are and how to create them.
- That sculptures can be made in different ways.
