

Year 1 – Maths – Measurement: Length and Height

Key questions

Which is the shortest?

Can you build a tower that is taller than 8 cubes high?

Compare the 3 items - can you order them from smallest to biggest?

Links to other learning

EYFS - Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity.

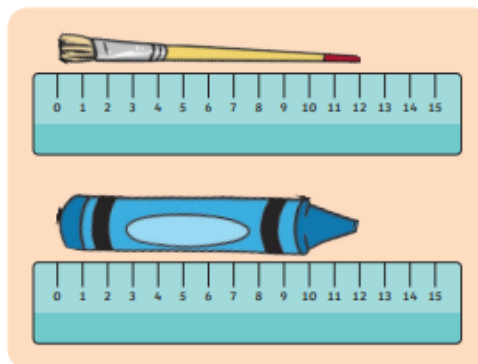

Year 2 - Choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm); Compare and order lengths.
