sharing equally

double

half

Links to other learning

EYFS ELG - Have a deep understanding of number to 10, including the composition of each number; Automatically recall number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.

Year 2 - Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables; Calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication ($\times$), division ($\div$) and equals ($=$) signs; Show that multiplication of 2 numbers can be done in any order (commutative) and division of 1 number by another cannot.

Key questions

Can you count in 2s starting at...?

Can you count backwards in 5s starting at...?

What is double...?

What is half...?

Can you share 10 equally into 2 groups?

Can you add 3 equal groups of 2?

Add Equal Groups

$$2 + 2 + 2 + 2 = 8 \text{ apples}$$

Make Arrays

4 rows of 5 = 20 cookies

5 columns of 4 = 20 cookies
