

A journey of learning in the light of God's love

*"What shall we say the Kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds of the air can perch in its shade." **The parable of the Mustard seed - Mark 4:30-32***

Our vision is underpinned by our Christian values of:-

Faith – To have faith in God to support all the parts that make the school whole: Every child and adult is special to God.

Hebrews 11:1 – now faith is being sure of what we hope for, and certain of what we do not see

We cannot see God, but Christians believe he is there.
Look around at the world, there are lots of signs of his presence.

- Christians have faith that plants will appear each spring and grow through the summer, each more amazing than any magic trick.

During collective worship we reflected upon the question -

When we are in bed at night and wake up, we are alone, but usually we feel safe. Why? Because, even though we can't see anyone, we know that our parents or whoever cares for us are nearby. We have faith that they will keep us safe. Think about how this can be related to our relationship with God. Christians have faith that God will always be there for us.

Christians believe He has given us the most precious present of all – our lives.

Children's reflections

"We may not see God, but these things help Christians to believe and know He is there – to have faith."

We thought about collective worship and worked through the PowerPoint. T says he has faith in God and that soon we will all be together again. (After Covid lockdown) 1.2.21
