

A journey of learning in the light of God's love

"What shall we say the Kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds of the air can perch in its shade." *The parable of the Mustard seed - Mark 4:30-32*

Our vision is underpinned by our Christian values of:-

In everything, set them an example by doing what is good.
(Titus 2:7)

Honesty – To be the best versions of ourselves in everything we do; to be honest and to learn from our mistakes.

Titus 2:7 – *In everything, set them an example by doing what is good.*

During collective worship we reflected upon the question– How can you be more honest?

Sometimes we think it's easier to tell a little lie.

We find it hard to tell the truth, however we may try.

We're just afraid to take the blame, we feel remorse, we're full of shame.

We should not cheat when things go wrong, just face the facts, own up, be strong.

Honesty—reflections from year 4

Jesus wants a happy world and no one to lie.

Jesus wants people to be truthful and kind and always tell the truth, even if it is difficult

Treat others like you want to be treated.
