

## ***A journey of learning in the light of God's love***

*"What shall we say the Kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds of the air can perch in its shade."*

*The parable of the Mustard seed - Mark 4:30-32*

## ***Global Christianity***

*"People will come from east and west and north and south. They will take their places at the feast in God's kingdom." Luke 13:29*

*On Friday 7<sup>th</sup> January 2022 the whole school took part in a global Christianity day. The objective of the day was to explore Christianity as a global faith.*

### **Denominations of Christianity**

*Year 3 explored the different denominations of Christianity. We looked at the three biggest denominations and created a tree to explore the different branches of these groups.*

### **Christianity as a global faith**

*We explored how big Christianity is across the globe. We never knew so many countries had Christianity as their main faith! We talked about how this gave us a connection to people around the world.*

### **Christian Aid**

*Year 3 watched a video all about Christian Aid and the Fairtrade Foundation. We agreed that it is a kind and loving thing to help those in need as well as pay people fairly for the items they make but we use. We used our knowledge to create posters all about Christian Aid and the Fairtrade foundation including what others can do to help. We talked about how we can be courageous advocates in our community such as donate old toys to charity and clean up our local area. We ended our day writing prayers all about helping Christians around the globe and in our local area.*
