

A journey of learning in the light of God's love

"What shall we say the Kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds of the air can perch in its shade."

The parable of the Mustard seed - Mark 4:30-32

Global Christianity

"People will come from east and west and north and south. They will take their places at the feast in God's kingdom." Luke 13:29

On Friday 7th January 2022 the whole school took part in a global Christianity day. The objective of the day was to explore Christianity as a global faith.

Christianity as a global faith

In Year 6, we learnt about Christianity as a worldwide faith, spreading far beyond our school and our local community, to other countries. Through discussion, we explored different denominations of Christianity, and compared their similarities and differences. This helped us to develop a deeper appreciation of the beliefs and practices of Christian denominations.

Courageous Advocacy

As part of our learning about Global Christianity, we also thought about the work that Christian charity Christian Aid does around the world, and how they embody the role of being courageous advocates. After investigating and learning about them, we created some posters to demonstrate their work.
