A journey of learning in the light of God's love

Dear Parents and Carers,

Celebrating Sir David Attenborough's 100th Birthday – Friday 8th May

We are delighted to share that our school will be holding a special themed day on **Friday 8th May** to celebrate the 100th birthday of Sir David Attenborough, in recognition of his incredible contributions to wildlife, nature, and environmental awareness.

On this day, children will take part in a variety of engaging learning activities across the curriculum, all inspired by the natural world and Sir David Attenborough's work. It will be a wonderful opportunity for pupils to learn more about the environment and how we can all help to care for our planet.

To mark the occasion, we invite children to come to school wearing **green, blue, or a combination of both colours**, representing the land, oceans and the Earth's natural beauty. If your child prefers not to take part, they should attend school in their usual school uniform.

The kitchen will prepare a special menu of delicious 'themed food'. It would be wonderful if all children entered into the spirit of the day and enjoy the opportunity to have this tasty lunch. Children in EYFS, Year 1 and Year 2 are automatically eligible for universal free school meals, whilst eligibility of older children depends on certain criteria. Please make payment through Arbor, children will make their lunch selection in class. If you have any issues using Arbor the office staff are more than happy to help you with this.

We look forward to this special occasion. Many thanks for your continued support.

Kind regards

Mrs A Hawksley and Mrs L Martinson
