

Summer Holiday Homework

Choose from these activities to complete over the summer holiday.
Remember to hand in your homework to your new teacher.

Join the Summer Reading Challenge at your local library – read books, get rewards and have fun! Includes free entry to Bosworth Battlefield.

Summer Journal

Create a journal of words and pictures to share your adventures over the summer holiday.

Love 2 read

Create a book review or a poster about your favourite book or a book that you read over the summer holiday.

Create a 3D scene from your favourite book.

Geography

Explore your local area or a holiday destination.

Create a map.

Use words and pictures to show popular landmarks.

Be active

Create an obstacle course from objects that you have indoors or outdoors. Draw a labelled plan of the course.

Design a new game for a P.E. lesson.

Art

Gather twigs, leaves, petals, pebbles and other natural materials to create a picture.

Use objects found at home to create a piece of artwork.

Kindness

How many times have you shown kindness?

Start a tally chart and watch it grow each day.

HISTORY

Create a family tree.

Draw, stick photos or write family names to make your family tree.

Our World

Think about the world we live in.

If you could change only 3 things about it, what would they be?

Science

Create a poster or a model of a habitat for living things.

This could be a small habitat, such as under a stone, or a big habitat, such as the ocean.

Maths

Practise your times tables, number bonds and other maths skills.

Music

Write your own song or poem about the summer.

Use natural objects to create a musical instrument. What sounds does it make? Can you create a tune?
