Year 5 Space Homework Project

To Infinity and Beyond!

This half term, we will be exploring the fascinating topic of Space. For your homework project, you can create anything you like as long as it is linked to our space theme. Be as creative as you can!

Here are some ideas to get you started:

🌍 1. Create a Model

Build a model of:

- The Solar System
- A planet
- A rocket
- The International Space Station

You could use recycled materials, LEGO, clay, cardboard, or any other materials you choose.

🎨 2. Design a Space Poster

Create an informative and colourful poster about:

- A planet
- An astronaut
- Space exploration
- Life in space

Include interesting facts and illustrations.

📖 3. Write a Space Story or Diary

Write:

A story about a journey into space

A diary entry from an astronaut on a mission

A report about discovering a new planet

Remember to use exciting vocabulary and lots of detail.

💻 4. Make a Presentation or Video

Create a short presentation or video about:

- The Solar System
- A famous space mission
- Why humans want to visit Mars
- Living on another planet

You could use PowerPoint, Google Slides, or record your own video.

Remember!

These are only suggestions. You are free to create whatever you like, as long as it is based on our Space theme. Surprise us with your imagination and creativity!

Success Criteria

- ✅ Clearly linked to the Space topic
- ✅ Shows effort and creativity
- ✅ Includes accurate information (where appropriate)
- ✅ Presented neatly and proudly

We can't wait to see your amazing space projects! 🚀 ⭐ 🌙
