

Year 5 Summer Homework

Well done for completing a very different academic year. We have prepared eight projects for you to complete over the summer break. You can complete the projects in any order and take photographs to share with your teacher in August. Continue to read daily and practise your timetables and spellings.

Remember to take care and look after yourselves and enjoy your summer break.

Science

This year we have learnt about forces, earth and space, living things and their habitats and Animals including humans.

Follow the link below to make rockets.

<https://psttt.org.uk/resources/curriculum-materials/Science-Fun-at-Home>

You will need to click on the number 13 Rocket Science.

English

Find a book to read and write a book review about it.

Include:

- Book title and author
- Why you like/dislike it
- Who would you recommend it to and why?

Try to keep a written diary based on your summer holidays. You are welcome to include, tickets, postcards, memorabilia for trips.

Summer reading challenge

Join the library to participate in their annual reading challenge.

Maths

Practice your:

- Times tables (up to 12)
- Squared and cubed numbers
- Number bonds to 100
- Telling time (12 and 24-hour clock)
- Money

Religious Education

Last year we all painted a pebble to show our Christian value of hope. This year, we would like to extend our pebble garden therefore, can you design and make a pebble which celebrates our Christian value of friendship.

Art

In preparation for your first display in your new classroom, can you create a self-portrait?

At home use a mirror to look at your face carefully and then draw, paint or collage yourself.

History/Geography

As you travel on holiday or if you decide to stay home.

Can you create a fact card about where the place is and an interesting did you know geographical and historical fact about the place?

Physical Education

It's important to keep active every day.

Try:

- Going for a walk
- Riding a bike/scooter
- Playing an outdoor game
