French Ambassadors

What is a French Ambassador?

A French ambassador is an exciting role within school. As a French ambassador, the children will help to promote language learning around school and become role models to others promoting the importance of language and the diverse world we live in. The children chosen will become a ‘buddy’ to others in their class to help them with their French learning. Other responsibilities include helping the MFL coordinator with enrichment activities and feedback on the learning taking place in lessons termly.
