

Townlands Church of England Primary Academy

“A journey of learning in the light of God’s love”

At Townlands we value the importance of listening our pupils’ voice.

We’ve spent some time asking the children about their learning in their MFL lessons and this is what they told us:

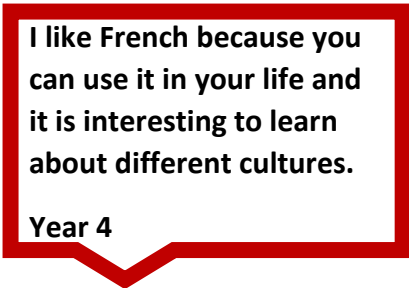

I enjoy French because it will help you to speak to people if you visit France.

Year 3

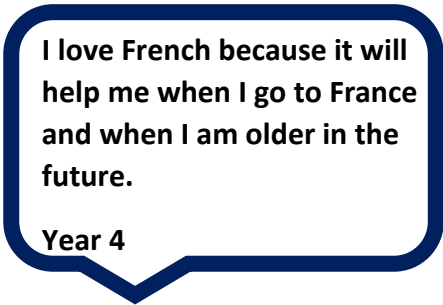

French is fun and it is important if you visit France or another country that speaks French.

Year 3

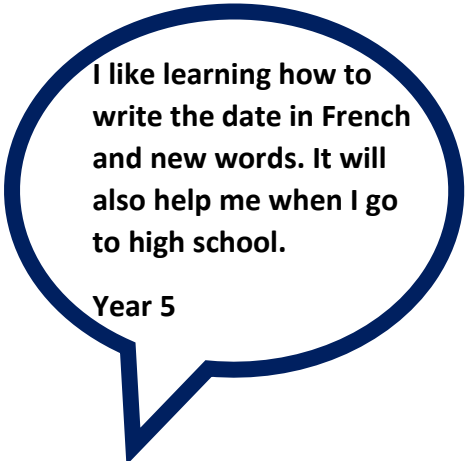

I like French because you can use it in your life and it is interesting to learn about different cultures.

Year 4

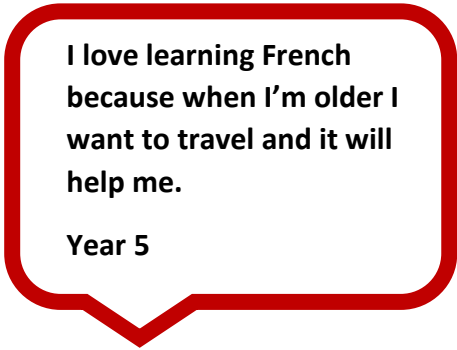

I love French because it will help me when I go to France and when I am older in the future.

Year 4

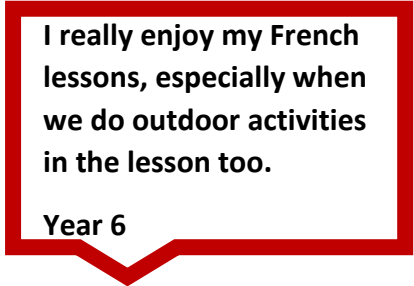

I like learning how to write the date in French and new words. It will also help me when I go to high school.

Year 5

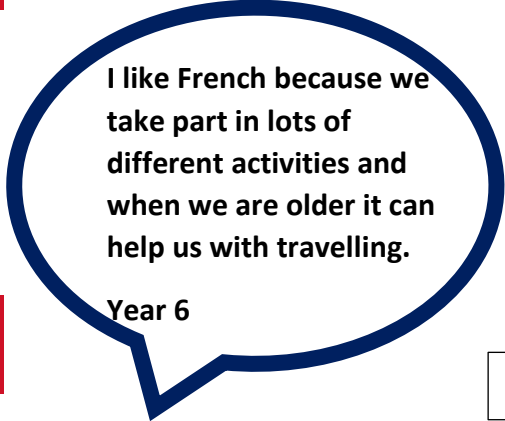

I love learning French because when I’m older I want to travel and it will help me.

Year 5

I really enjoy my French lessons, especially when we do outdoor activities in the lesson too.

Year 6

I like French because we take part in lots of different activities and when we are older it can help us with travelling.
