

## A journey of learning in the light of God's love

"What shall we say the Kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds of the air can perch in its shade."

*The parable of the Mustard seed - Mark 4:30-32*

## What matters most to Christians and Humanists?

During the first half of the spring term, Year 6 have been comparing the beliefs and values of Christians with those of Humanists, a non-religious group. Through our learning, we learnt about key differences between both groups, such as their contrasting views on the existence of a God and an after-life.

We studied biblical texts to identify key values, including our Townlands' Christian values, and explored the extent to which these may be universal values among people, not restricted to a particular religion or belief, and how they shape our lives to encourage us to be the best version of ourselves whether we are of a particular faith or of no faith.
