

A journey of learning in the light of God's love

"What shall we say the Kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds of the air can perch in its shade."

The parable of the Mustard seed - Mark 4:30-32

Creation and Science: Conflicting or Complementary?

Throughout the first part of the summer term, year 6 have been considering whether it is possible to believe in both the Bible's representation and science's explanation of creation. We have studied Genesis 1 and discussed how an evolutionary viewpoint can contradict or complement it. In addition to this, we have studied the views of Christian scientists to understand how those with faith view the science of evolution.
