

A journey of learning in the light of God's love

"What shall we say the Kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed which is the smallest seed you plant in the ground. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds of the air can perch in its shade."

The parable of the Mustard seed - Mark 4:30-32

What kind of world did Jesus want?

During this half term the children have been learning about stories about Jesus. We began by looking at the Big Frieze. Next, we read stories about Jesus and considered his actions and the values they teach us. We reflected on these values and discussed how Christians try to display these values. We discussed how churches and church leaders try to help communities and what we could do to help others too.

The Gospel

In RE, we learnt about the Gospel - what it is and why it is important to Christians. Here, you can see that we looked at the Big Frieze panel and some Gospel stories.

Stories from the Bible

This term, we have been learning and discussing stories from the Bible. We looked at the stories of Jesus and the Leper, and The Good Samaritan, and we discussed how these displayed the values that Jesus wanted us all to live by.

Learning Through Drama

To aid our learning of these Bible stories, we used role play. In the images, you can see us hot seating as characters in the Good Samaritan story. We also acted out the story of Jesus and the Leper. We used this as a way to better understand the importance of the values that these Bible stories teach us.

Our Lovely Art Work

At the end of this unit, we created some art work. Using chalk and crayons, we created a piece of art where half of the page represented the world Jesus didn't want. We did this in chalk to show how bleak this would be. The other half was colourful to show the way Jesus wanted the world to be.
