

Key Vocabulary

conflict	To disagree with something or someone or a disagreement
complement	To add to something to improve it or complete it
scientific	Based on methods or principles of science
cosmology	The science of the origin and development of the universe
evolution	The process by which living things have developed over time
universe	All of space and everything in it, including planets, stars & galaxies

Key Knowledge

- God the Creator cares for the creation, including human beings.
- As human beings are part of God's good creation, they do best when they listen to God.
- The Bible shows that God wants to help people to be close to him — he keeps his relationship with them, gives them guidelines on good ways to live (such as the Ten Commandments).

Key Questions

- How do scientists explain the beginning of the universe?
- How do scientific accounts compare with Christian accounts of Creation?
- Does reading Genesis as a poetic account conflict with scientific accounts?
- Can a Christian believe in Creation whilst also believing in scientific explanations?

Links to other Learning

- Year 2 - Who do Christians say made the world?
- Year 3 - What do Christians learn from the creation story?
- Year 7 onwards - Should Christians be greener than everybody else?

Creation and fall
