Year 1 Weekly Homework

Homework is set every **Friday** and is due the following **Thursday**.

Homework Set: Friday 6th November

Spelling – /er/ Sounds

This week, we are practising words containing the /er/ sounds, spelt with er, ir, or and ur

Please practise reading and spelling these words at home:

- Burst
- Curl
- Dirt
- Germ
- Herd
- Shirt
- Verb
- Word
- World
- Twirl

Reading

Reading regularly is incredibly important for developing phonics, fluency and comprehension.

Please aim to read with your child five times a week.

Your child does not need to read both reading books all the way through every night. Even a short reading session counts — little and often makes the biggest difference.

After your child has read at home, please record it in their reading record and bring the reading record to school every day.

We check reading records three times a week to monitor home reading and enter children into our reading raffle.

Maths

Weekly activity – approximately 15 minutes

We have set a new activity on MyMaths.

Please follow the link below to log in and complete the activity:

School login - MyMaths

Your child's login details have been sent home and are also stuck inside their reading diary.

Numbots

Children also have access to Numbots, which helps develop their arithmetic skills.

We have adjusted the Numbots settings so that children now have maximum time to answer each question, allowing them to take their time and earn more stars.

Numbots Game

Year 1 Common Exception Words

Common exception words are particularly important for early reading and writing because:

• They do not always follow familiar phonics rules, so children need to learn them by sight.

• They appear frequently in books and everyday writing.

• They help children develop reading fluency, allowing them to focus on understanding what they are reading.

• They support accurate spelling and confident independent writing.

• They provide a strong foundation for developing vocabulary in Year 2 and beyond.

The Common Exception word list can be accessed on the class page.

Questions?

If you have any questions about the homework, please speak to your child's class teacher.

Thank you!
